TITLE OF ACM PUBLICATION: Operating Systems Review 47(1), Special Section: SBESC 2012

I hereby grant permission for ACM to include the above-named material (the *Material*) in any and all forms, in the above-named publication. I further grant permission for ACM to distribute this submission as part of the above-named publication in print and electronic form, and as part of the ACM Digital Library, on CD/DVD-ROM and in translation, or webcast, laserdisc, USB, multimedia or any other media format now or hereafter known. *(Not all forms of media will be utilized.)*

☒ **Yes, I verify that I am the owner of copyright in this Material and have the authority to grant permission.**

LIABILITY WAIVERS & INDEMINIFICATIONS

Because I retain certain rights in my work under the ACM Copyright Transfer Agreement and under the ACM Permissions Release Form, such as patent and moral rights, I therefore hereby agree not to assert any of my rights against ACM in connection with ACM's use of my work as agreed to herein, and I further acknowledge that ACM is under no obligation to exercise all of the rights I have granted.

I hereby agree to indemnify ACM and its agents and assigns against any and all losses incurred in connection with any claim or proceedings asserting that I have violated a prior agreement in presenting my work at an ACM event and/or in granting ACM rights to publish my work.

I hereby agree to indemnify ACM and its agents and assigns against any and all losses incurred in connection with any claim or proceeding asserting plagiarism and/or copyright infringement if the investigation carried out by ACM according to its Plagiarism Policy (see: http://www.acm.org/publications/policies/plagiarism_policy) determines that my work is the plagiarizing or infringing work.

[Note, in accordance with its policies, ACM generally defends its authors against charges of plagiarism and will reasonably investigate others on behalf of the author who plagiarize a work copyrighted and published by ACM.]

All permissions and releases granted by me herein shall be effective in perpetuity and shall extend and apply to ACM and its agents and assigns.

The following statement of copyright ownership will be displayed with the Material, unless otherwise specified: **"Copyright is held by the author/owner."** ACM reserves the right to provide a hyperlink to the author's site when the Material is used in electronic media.

THIRD-PARTY MATERIAL

In the event that any elements used in the Material contain the work of third-party individuals, I understand that it is my responsibility to secure any necessary permissions and/or licenses* and will provide same in writing to ACM. If the copyright holder requires a citation to a copyrighted work, I have obtained the correct wording and have included it in the designated space in the text.

Please check one below:
